Consultation meeting with the Croatian partner service SOA - Dubrovnik

Delegation of the Terrorism Prevention Centre of Excellence took part in the expert consultations with SOA in Croatia as part of the EU co-financed POWER project.

During the meetings, the effects of the joint implementation of the POWER project were summarized. The Polish side presented a training program in the field of terrorism prevention for the public administration community.

The individual training modules were developed by TPCoE in cooperation with SOA, foreign special services and experts. Their innovative character combines the latest developments, identified CT-measures with the most important issues related to the terrorism prevention and response to the terrorist

threats.

Participants discussed i.a. the implementation of the training program at the national level and the issues of joint organization of an international conference that will summarize the accomplishments of the project. The conference will also aim at exchanging best practices and making recommendations in the field of strategic communication and the role of the media in combating terrorism.

During the visit, there was a meeting between the Deputy Head of ABW and the General Director of SOA.
