Cooperation between TPCoE and EDA

Terrorism Prevention Centre of Excellence and European Defence Agency (EDA) organized the first workshop within project no. PL/2018/PR/0061 „Sprawniejsze rozpoznawanie zagrożeń asymetrycznych – tendencje, wskaźniki, zależności”

Within the project, the TPCoE has prepared the first out of four workshops in cooperation with a foreign partner institution. The online workshop for ABW officers was conducted by EDA experts, and followed a training and consultation meeting between the 2 institutions on 4-5 November 2020.

The online workshop took place on 9-10 November 2020 and involved 40 officers in a webinar, which focused on issues related to the Joint Security and Defense Policy of the EU with regard to asymmetric conflicts, including critical infrastructure, cyberspace and protection of public spaces against terrorist and hybrid threats.
