Spraw Zagranicznych

ABW officers started cooperation  
with the Foreign Service  
Inspectorate of the Ministry of  
Foreign Affairs.

The ABW's Terrorism Prevention Centre of Excellence started cooperation with the Foreign Service Inspectorate of the Ministry of Foreign Affairs. In May and June, anti-terrorist training was conducted for employees of the Ministry on the best practices and recommended behaviours in the event of a terrorist event. The officers of the ABW's Centre familiarized the audience with the 4U! social campaign conducted by TP CoE. They also discussed the issue of proper conduct in a hostage and counter-terrorist situation and in the conditions of receiving the so-called suspicious package. An important element of the training were issues related to the role of information

in the context of terrorist threats and the related potential activity of representatives of terrorist organizations towards Polish citizens staying outside the territory of the Republic of Poland.
