## 3rd Expert Seminar SAFETY IS THE MOST IMPORTANT

UWr

On 11.03.2022 took place the 3rd expert seminar organized by the Centre for Security Studies and Education of the University of Wrocław and Terrorism Prevention Centre of Excellence.

The online event on raising awareness of current asymmetric threats and terrorist prevention and education was attended by UWr employees: faculty security officers, equal treatment officers, representatives of central administration and management of the University of Wrocław.

The seminar was a continuation of a research and education project dedicated to the field of education in Poland, carried out by the Centre for Security Studies and Education of the University of Wrocław and Terrorism Prevention Centre of Excellence.
