TPCoE took part in POLSECURE trade fair

On April 27-29, 2022, TPCoE delegation represented ABW at the POLSECURE International Police and Security Expo.

The purpose of the event organised by Kielce Fair and the National Police Headquarters was, among others, the exchange of knowledge and experience between Polish and foreign services and the presentation of the latest technical achievements in the field of equipment used by services. The event was held under the honorary patronage of the Ministry of the Interior and Administration

Officers of the TPCoE, together with officers of Internal Security Agency Personnel Bureau, presented the role and tasks of the Agency in the national security system. On display were educational videos from the Center's 4U! campaign, which aims to provide recommended behavior in the event of a terrorist incident. The information was provided on activities conducted by TPCoE aimed at building a stronger security culture in society, among others, through stationary trainings conducted by the Centre, on-line
