TPCoE's participation in IX Podkarpackie Youth Safety Festival

WSPiA

On 01.06.2022. TPCoE took part in the 9th Podkarpackie Youth Safety Festival, organised by WSPiA Higher School in Rzeszów.

The event is intended to educate young citizens in the development of appropriate civil and patriotic attitudes, as well as to disseminate knowledge about threats to individual and collective security.

This year's edition was attended by representatives of more than 20 services, institutions and organisations dealing with broadly understood security.

During the above-mentioned event, a lecture was presented on "Activities and competences of TPCoE in counteracting terrorist threats".
