Anti-terrorist training for the Roman Catholic Archdiocese of Warsaw

Anti-terrorist training for the Roman Catholic Archdiocese of Warsaw

As part of its mission to create anti-terrorist awareness, on 3 June 2022 TPCoE conducted a training on terrorist prevention for the personnel of the Church Order Service of the Archdiocese of Warsaw "TOTUS TUUS".

The organised meeting was devoted to discussing, among other things, the principles of appropriate response in the event of events of a terrorist nature, including an attack by a mass murderer, a hostage situation, as well as the danger of using explosive devices.

The training is part of an educational campaign initiated by TPCoE to raise awareness also among the staff of religious entities in connection with the protection of places of worship against threats to their

security.
