Training course by TPCoE for the management of the Municipal Headquarters of the State Fire Service in Poznań

PSP

On 1 June this year, experts of TPCoE conducted a training course on terrorist prevention for the management of the Poznań Municipal Police Headquarters and persons in charge of individual organisational units.

The meeting was devoted to issues related to building an organisation's security policy in the context of terrorist threats, vulnerability of persons and objects to events of this nature. During the training, knowledge of best practices and recommended behaviour in a situation of a terrorist event was provided - based on the social campaign 4U!
