### TPCoE at the Conference of the Lower Silesian Education Authority in Kudowa Zdrój.

On 5 September, experts and the leadership of TPCoE attended a conference of the Lower Silesian School Board in Kudowa Zdrój. In cooperation with the Centre for Security Studies and Education at UWr, a closed training session was held for approximately 100 Lower Silesian visitors as part of the *Security Is Most Important - Education PL* project. During the meeting, experts presented the e-learning platform created by Terrorist Prevention Centre. Moreover, 4U! social campaign gave a contribution to the discussion on the possibility of using the above mentioned products designed by TPCoE in the education process. In addition, issues concerning the process of radicalisation, which can lead to violent extremism and terrorism, were discussed. Particular attention was paid to the factors that can generate vulnerability to

radicalisation and the narrative mechanisms used by  
extremist and terrorist movements in propaganda.
