Training for BOŚ

On 13 October 2022, TPCoE expert conducted a training course on anti-terrorist prevention for the staff of Bank Ochrony Środowiska SA in Warsaw.

The training included a series of presentations on threat typologies and best practices, as well as recommended behaviour in the event of a terrorist incident. An officer of the Centre familiarised the listeners with the 4U! social campaign conducted by TPCoE. She discussed the issue of correct behaviour in a hostage situation, as well as how to inform dedicated services about the threat.
