TP CoE training for National School of Public Administration (KSAP)

On 23rd November 2022, TP CoE expert conducted anti-terrorist prevention training for students and graduates of the National School of Public Administration (KSAP).

During the meeting, among others were presented practical tips on the recommended course of action in terrorist situations, including elements of the 4U! Social Campaign, which is a visualization of the procedure recommended by the Internal Security Agency and the Ministry of Interior and Administration in the event of a terrorist incident. Rising anti-terrorist awareness among public administration officials in an important element in building a security culture in our country.
