Szkolenie pracowników ARiMR

On 21 November 2022, TPCoE expert conducted a training session for employees of the Head Office of the Agency for Restructuring and Modernisation of Agriculture.

The training was devoted to discussing the recommended way of behaving (4U! procedure) in the event of a terrorist incident, including a mass murderer attack, the danger of the perpetrators' use of explosives, as well as issues related to a dangerous shipment.

The training is a continuation of the education process initiated by TPCoE to raise anti-terrorism awareness among government officials.
