Training at Aviation Technical School

Szkolenie w Technikum Lotniczym

On 5 December 2022, representatives of TPCoE conducted classes in counter-terrorism prevention and cyber security at the Aviation Technical Secondary School - Aviation Training Centre in Nagoszewo near Warsaw. The meeting was well attended by students of the Technical School, as well as representatives of its teaching staff headed by the school's management.

The training was devoted to discussing recommended behaviour in the event of a terrorist incident, including an attack by a mass murderer or the danger of perpetrators using explosives, as well as issues related to cyber threats to computer and ICT systems.

The training received a lively response from the participants, and was accompanied by a lively discussion and numerous questions to the Agency

representatives leading the meeting.
