Terrorist prevention training for Airport Security Guards at Lublin Airport in Świdnik

Port_lublin

On 14 December 2023, expert from TPCoE conducted a training course on terrorist prevention. On this occasion, threats of a terrorist nature were discussed and recommended behaviours and ways to deal with acts of violence related to terrorism were presented.

Taking into account the current geopolitical situation, the focus was on elements concerning the level of vulnerability and the degree of susceptibility of CI facilities in the context of terrorist attacks, taking into account various forms of activity of extremist-terrorist communities.

The training is part of an educational campaign initiated by TPCoE to raise awareness also at aviation-

related CI facilities.
