Training on terrorist prevention for the staff of Rzeszów-Jasionka Airport

On 11 January this year, an expert of TPCoE conducted a training course on terrorist prevention for the staff of the Airport Security Service of the Rzeszów-Jasionka Airport.

The meeting was devoted to the subject of counteracting terrorist threats. In this context, issues related to the vulnerability of persons and objects to threats resulting from the activities of terrorist and extremist organisations were raised. Important aspects of threat prevention also included the issue of protection of information resources, taking into account the assessment of the level of exposure of Critical Infrastructure in relation to the current geopolitical situation.
