TPCoE training for Ministry of the Interior and Administration

MSWiA

On 12.01.2023, representatives of TPCoE conducted a training course for employees of the Ministry of the Interior and Administration on terrorist prevention and cyber security.

The training was devoted to discussing, among other things, the recommended way of behaving in the event of a terrorist incident, including a mass murderer attack. The event also addressed the dangers of using explosives in acts of violence. Cyber security issues were also discussed, as well as the recommended course of action following the receipt of a dangerous package.
