## Training at Branice Municipal Office

On 12 January 2023, an expert of TPCoE conducted a training session for the employees of the Branice Municipal Office.

The training was devoted to discussing the recommended way of behaving in the event of a terrorist incident, including a mass murderer's attack, the danger of the perpetrators' use of explosive devices, as well as issues related to a dangerous shipment.

The training is a continuation of the education process initiated by TPCoE to raise anti-terrorist awareness among officials and employees of local government entities in the Opolskie Voivodeship.
