IV National meeting - Warsaw

III National meeting - Warsaw

III National meeting - Warsaw

III National meeting - Warsaw

On 6-7 December 2018 the Terrorism Prevention Centre of Excellence organized a fourth two-day meeting with public administration.

The topic was aimed at raising terrorism prevention awareness among public sector employees. During that time participants discussed security of public administration buildings and were presented with cultural differences between Muslim countries.

On the first day of the training the discussion concerned:

- characteristics of terrorism, threat identifications, behavior during a terrorist attack in practical aspect.
- cultural differences between Muslim countries

On the second day of the meeting, the following issues were presented:

- Dilemmas and challenges on the topic of ensuring safety in public buildings on the example of Voivodship buildings.
- Stages of crisis management in face of a threat in public buildings
- Tasks of public administration during project planning for the security of critical infrastructure buildings on the Voivodeship level.

Invited guests:

- representative of the Lublin Voivodeship Office
- representative of the Mazowiecki Voivodeship Office
- representative of the Dolnoslaski Voivodeship Office
- representative of the Lodzi Voivodeship Office
- representative of the Podkarpackie Voivodeship Office
- representative of the Podlaskie Voivodeship Office
- representative of the Swietokrzyskie Office
- representative of the Polish Office For Foreigners
- representative of the Prison Service
