Training for the Opolskie Voivodeship

Szkolenie dla Opolskiego Urzędu
Wojewódzkiego

On June 16, 2023, a TPCoE expert conducted a training session for employees and managers of the Security and Crisis Management Department of the Opolskie Voivodeship.

The training was devoted to discussing the recommended way of behaviour of the so-called 4U procedure! in the event of a terrorist event, including an attack by a mass killer, the danger of the perpetrators' use of explosives, as well as issues related to a dangerous shipment.

The event is part of the Centre's mission to raise anti-terrorism awareness among government officials.
