## TPCoE training for the Ministry of Interior and Administration

Szkolenie CPT ABW dla MSWiA

On July 5, 2023, TPCoE experts conducted a training course for a group of employees of the Ministry of Interior and Administration.

The training was devoted to information policy in the context of preventing and countering terrorism. Among other things, they discussed issues related to disinformation and extremist and terrorist propaganda. The key role of state institutions in conducting appropriate information policy to counter extremist narratives in the public space was pointed out. Recommended methods of conducting crisis communication in the event of a terrorist incident are also presented.
