## Training at the Agricultural Social Insurance Fund (KRUS) in Opole

On July 7, 2023, a TPCoE expert conducted a training course for employees and managers of the Field Offices of the Regional Branch of the Agricultural Social Insurance Fund in Opole.

During the training, recommended ways to behave in the event of a terrorist event, including an attack by a mass killer, or the danger of perpetrators using explosives, as well as issues related to a dangerous shipment, were discussed.

The training is the result of the TPCoE's campaign to raise anti-terrorism awareness among government employees.
