Training at Agricultural Social Insurance Fund (KRUS) in Krakow

On July 11, 2023, a CPT ABW expert conducted a training course for employees and managers of the Field Offices of the Regional Branch of the Agricultural Social Insurance Fund in Krakow.

During the training, the recommended ways to behave in the event of a terrorist event, including an attack by a mass killer, or the danger of perpetrators using explosives, as well as issues related to a dangerous shipment were discussed.

The training was conducted as part of TPCoE's promotion of the 4U! social campaign and was another in a series of trainings to raise anti-terrorism awareness among employees of KRUS branches.
