TPCoE training for CPF Poland

On 31 August 2023, TPCoE experts conducted a training session for the board and management of CPF Poland.

The training was devoted to information policy in the context of preventing and countering terrorism. Topics related to the dangers of radicalisation were presented. Among others, issues related to disinformation and extremist and terrorist propaganda were discussed. Recommended methods of conducting crisis communication in the event of a terrorist incident were also presented.
