VIII National meeting - Warsaw

On 12-13 March 2019, the Terrorism Prevention Centre of Excellence organized an eight two-day meeting with public administration.

Participants in the abovementioned meeting included guests from Prison Service and 11 voivodeships. The topic aimed to discuss contamination as a form of terrorist attack as well as threats related to shipments of packages that may be used by terrorists to conduct an attack.

On the first day of the training the discussion concerned:

- threats related to CBRN weapons in the context to the Anti-Terrorism Act;
- mission and tasks of the Warsaw State Fire Service's chemical unit as an example of response to CBRN threats.

On the second day of the meeting, the following issues were presented:

- threats related to dangerous shipments resulting from the reception of packages;
- rules for dealing with a potentially dangerous shipments;
