International meeting - Washington (USA)

International meeting -
Washington (USA)

On 21-25 October 2019 in Washington (USA) the TPCoE together with the Croatian SOA, organized a consultation meeting with the National Counter Terrorism Center (NCTC) and the CIA.

During the meeting, the role of the abovementioned services and institutions in the context of prevention and counter-terrorism was discussed. In addition, capabilities and measures in the process of radicalization were analysed together with a discussion regarding terminology that describes racial – and ethnic motivated violence indicators.

Furthermore hosted services presented materials that support entities responsible for national safety as well as model of information exchange between services.

During the delegation management meetings took place with representatives from above mentioned services.
