## XIV National meeting - Warsaw

On 25-26 November 2019, the Terrorism Prevention Centre of Excellence organized a 14th two-day meeting with public administration

Participants in the abovementioned meeting included guests from Ministry of the Interior and Administration and the Chancellery of the Prime Minister.

The meeting was aimed at discussing the vulnerability of those institutions towards threats of a terrorist nature and discussing possible gaps and solutions in the security system.

In addition, during the meeting, a training in the field of terrorist prevention was conducted, which included, among others:

- Threats related to an armed perpetrator
- Characteristics and direct effects of a terrorist attack
- Rules for dealing with a potentially dangerous shipments
- Rules of medical security and elements of medical treatment in combat conditions;

- Importance of risk assessment and preparation activities in public administration.
