Terrorism – studies, analyses, prevention

We invite you to co-create the
new biannual ISA entitled:
“Terrorism – studies, analyses,
prevention” (T-SAP).

T-SAP is a scientific journal established in 2021,
devoted to interdisciplinary issues related to anti-
terrorist protection and building resilience to terrorist
threats in the national and international perspectives.

The biannual “Terrorism – studies, analyses,
prevention” is meant to be a platform for the
exchange of scientific ideas and experience,
connecting the academic world and representatives
of institutions and services that cooperate with each
other within the Interministerial Team for Terrorist
Threats, which is the coordination centre of the anti-
terrorist system of the Republic of Poland.

IF YOU ARE INTERESTED IN PUBLISHING A SCIENTIFIC
ARTICLE IN T-SAP, PLEASE READ THE INFORMATION
FOR AUTHORS.
